ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This Order addresses Plaintiff's motion at Dkt. 14 concerning his issues with the electronic filing system. The SDNY Help Desk is unable to approve a request for e-filing submitted through PACER if a case number is not included in the request. Plaintiff is instructed to re-submit his e-filing request on PACER by logging into his PACER account, selecting the Southern District of New York from the drop-down menu, selecting the "request e-filing privileges" option through the Maintenance tab, and selecting the "pty" (party) link to access the electronic request form. The case number of this case (23-CV-01139) **must** be included on the form. If there is not a designated field for a case number, Plaintiff may enter the case number in the "party information" field or any other field on the form. The Help Desk will approve the e-filing request once it is received as long as it contains the correct case number.

Should Plaintiff still experience issues e-filing in this case, he may call the Help Desk at (212) 805-0800 ext. 2 or PACER support at 800-676-6856.

The Clerk of Court is respectfully requested to terminate the motion at Dkt. 14, mail a copy of this order to the pro se plaintiff, and note the mailing on the docket.

SO ORDERED.
